

## Southern/Central Wisconsin Native Plant Sources

**Good Oak's Land Stewardship Center** Hundreds of native perennials available starting in May and through the growing season. A wide selection of trees, shrubs, woodland, prairie and wetland plants and seeds available by special orders. High-quality tools, books and other supplies also available. ([www.goodoak.com](http://www.goodoak.com))

**UW Arboretum Annual Native Plant Sale** is in May on Mother's Day weekend at the UW Arboretum. There is a wide selection of trees, shrubs, and perennials. ([http://uwarboretum.org/foa/native\\_plant\\_sale.php](http://uwarboretum.org/foa/native_plant_sale.php))

**Bluestem Farm** in Baraboo has many species of woodland and prairie which are not available from larger growers. Plants can be picked up at the farmer's market on the Capitol Square on Saturday mornings. ([www.bluestemfarm.com](http://www.bluestemfarm.com))

**Red Buffalo Nursery** in Hebron IL is just over the state line and has a very good selection of both native prairie and woodland species. ([www.redbuffalonursery.com](http://www.redbuffalonursery.com))

**Prairie Nursery** in Westfield WI is one of the largest native plant nurseries in the region. They have a good selection prairie species and a few savanna species as well. (<http://prairienursery.com/>)

**Johnson's Nursery** in Menomonee Falls is the best source for native trees and shrubs and also has forbs in larger containers. ([www.johnsonsnursery.com](http://www.johnsonsnursery.com))

**Agrecol** offers a variety of native prairie and savanna species in 2.5" pots. Available for order online. ([www.agrecol.com](http://www.agrecol.com))

**Prairie Moon Nursery** is in Winona, MN but plants can be ordered online and shipped to you. They have a good selection of prairie, woodland and wetland perennials. (<http://www.prairiemoon.com/>)

**Outback Nursery** is in MN, about 10 miles SW of St. Paul. They have a full selection of native perennials in gallon-sized containers and a variety of trees and shrubs (<http://www.outbacknursery.com/>)

**Dragonfly Gardens** in Amery and Turtle Lake WI has a good selection of native plants, as well as non-native plants and general garden supplies. (<http://dragonflygardens.net>)

**Door Landscape & Nursery** is located in Egg Harbor in Door County and features native plants and garden supplies. (<http://doorlandscape.com/>)
